Town N^o. VI. Range N^o. V. East 2^om

Scale of forty Chains to an Inch

Pursuant to a contract with, and instructions from Jared Mansfield Esquire Surveyor General of the United States, bearing date the 26th day of September A.D. 1805. I have admeasured, laid out & surveyed the above described, fractional part of a Township in the Indiana Territory, lying between the Falls of Ohio and the Wabash River. & so hereby certify, that it had such marks & bounds, both natural & artificial as are represented on said plat & described in the field notes made thereof, & returned with the plat, into the Office of the Surveyor General. - Certified this 30th day of January 1806.

Jared Mansfield
Surveyor General
Sam. Layton
